AMERICAN ASH

Our American Ash timber is hand selected at the mill to ensure it is of the highest grade and quality, which allows us to produce stunning timber furniture for your home. We ensure that our selection of timber has a consistent natural colour, with an abundance of unique & natural features.

The beauty of American Ash timber is that no two pieces are ever the same, ensuring our products have timeless appeal. The timber grain and natural characteristics seen in the timber are ideal for our high-quality varnishes that will perfectly compliment your living space style.

If you require any further information, please contact your Master Pacific Representative.
