Seat Cushion Detail

The Amalfi sofa cushions feature a blend of durable polyester fibre (30%) and high-quality feather fill (70%). The premium feather and fibre filling, ensures our cushions provide both durability and plush, heavenly comfort.

Webbing/Support System Details

Enjoy long lasting support with our high quality zig-zag spring and elastic webbing seating system.

Seat back filling

Indulge in supreme comfort with our luxurious plush feather and polyester fibre filling.

Frame Details

Crafted with durable laminated timber, reinforced with high-quality plywood for lasting strength and stability.

Technology & Features With two console options, choose between an oak timber pad, or tech table equipped with convenient USB/Type C charging ports, wireless charging capability, as well as 2 adjustable cup holders that can be lowered or lifted. Both consoles have the added benefit of concealed storage in the armrest.
